

3.5.1 Report on Number of Collaborative activities for research, Faculty exchange, Student exchange/ internship per year.

Arya Institute of Engineering and Technology-Jaipur (Referred as AIET) holds good engagements in activities which can provide student exposure in Industries, Companies, and Corporate Houses through filed visits etc. Since college have given much emphasis to placements, the induction of regular interactive session by personalities from **Academics, Art & Culture, and Science** etc visits campus on regular basis.

In terms of Faculty exchange, Faculties go to **Infosys Campus Connect** programme every year which is held in Chandigarh. Here faculties get trained with other colleges faculties on Cloud computing, **Hadoop and IT framework** to understand the Industry requirements, the feedback from faculties in regard to this programme is always been encouraging, **AIET collaborates with Infosys** since years in terms of placements and training programme for faculties,

Picture1&2 :- AIET College Certificate & Faculties participated in IIC programme

Student Internships:-

Students are encouraged to pursue internships as it help a lot in getting a better job and in final placements. Internship is taken care by Training and placement cell of AIET. Student from final year also undergo training **before resuming final jobs in respective companies** like In time tech and ConsultAdd Pune through e based internships, these also make them eligible to get stipends. Rest student undergo summer and winter training which happen in organizations like BHEL, NTPC, **Thermal Power station, Rajasthan Electricity Board, BSNL, IT Companies like Cyntexa-Jaipur, Dot Squares , CAD Centre Jaipur** to name some of them.

Student need to obtain the letter from the T&P cell for applying into internships. Some student chooses companies on their own which is later verified by T&P cell before issuing the letter for the same.

Research Based Activities:-

AIET holds one of the finest labs in regards to R&D and to encourage activities of research and innovative practices in the campus. College have **invested heavily in the infrastructure** to boost the morale of upcoming technocrats through lab based practical learning.

AIET have machines like **SMT (Surface Mounting Machines), Laser Cutting Machines, 3D Printer, Moulding Machine, and Indigenous PCB manufacturing assembly line.**

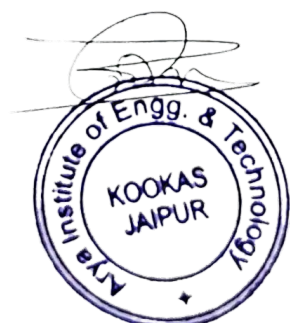

Pictures 1,2 & 3 :- Newspapers covering the R&D activities done in the campus

Collaborative activities:-

AIET associates with **Dell EMC for IT workshops** and **CII (Confederation of Indian Industries)** . Regular conferences and webinar keep happening and personnel's from T&P cell and College management attends to these forums' on regular basis. Arya College showcase its R&D activities in these forums' where Industry and government people visit. Our robotics and AI concepts have been largely praised by visitors and officials. Student demonstrates projects they made and which are commercially viable to use.
